

**Teen Services
Board Report
January 2018**

Jordan Bowen: I am pleased to announce that I have hired a new Teen Assistant. Her name is Jordan Bowen and her first day of work was January 2. She's started to learn all the different aspects of her position and is excited to work for the library.

OverDrive Advantage: Our OverDrive Advantage account is officially ready to use. This allows us to give our patrons priority for the first six months after purchase of new materials for the eIndiana Digital Collection. I will start with purchasing plenty of YA eAudiobooks since that interest increased last year.

Summer Reading: The theme for this year's program is Challenge Accepted! One of the events or experiences that will occur this year is a summer reading table that will consistently have a staff member or local volunteer demonstrating or talking about a passion, talent, or skill they possess. This will engage the community during the summer in a way that we haven't before.
