SUMMER READING STARTS JUNE 1!
THIS LOOKS LIKE A JOB FOR...LIBRARIANS!
Library News You Need to Know

Summer Reading:
June 1 through July 31

Make it a super summer by signing up and participating in our Summer Reading program! All ages can participate, from infants to the elderly.

Children’s Guide:
Infants through students entering Grade 5 are encouraged to read, or be read to, all throughout the summer. Each time they read for 20 minutes, they can color a spot on their reading record. Once they have colored nine spaces (equal to three hours of reading time), they can turn it in at the library for a prize and a ticket into the Grand Prize Drawing. To earn additional tickets in the Grand Prize Drawing, they can also complete Super Bonus Reads at the same time...just pick up a game board at the library. Want to know what you could win? The Grand Prize Drawing includes Bikes, a Kindle Fire, a LEGO prize pack, an Art package and more!

Teen Guide:
Teens (entering grades 6-12) who would like to participate can also pick up a reading record from the Teen Reference Desk. They have four goals to meet over the summer (one goal = 3 hours of reading or 2 books), and can earn entries for a separate Grand Prize Drawing, which includes LED shoelaces, an iPad mini, Beats Headphones, JBL Clip Portable Bluetooth Speaker, LEGO Marvel Superheroes, bags and bags of candy, a beauty collection and a superhero shirt collection. Earn more chances to win a Grand Prize with Explore More activities and Reading Challenges.

Adult Guide:
Adults, too, can participate by reading at least one book in June and one book in July. Meeting these goals will earn them prizes and ensure they are entered to win the grand prize, life-size cardboard cutout of a superhero and an HP tablet! Plus, just by answering a simple hero or villain question, they can earn an additional Grand Prize Entry.

Staff Spotlight

Susan Fowler is involved with numerous organizations throughout Noble County, and has now added the Kendallville Public Library to the list.

Susan and her husband, Todd, live in Avilla and have three children who have provided them with three grandchildren. Susan volunteers throughout the community, and is currently secretary for Avilla Park and Recreation, as well as treasurer for Gaslight Theatre. She is also involved with Right to Life and the Women’s Republican Society.

At the Kendallville Public Library she is the Genealogy Clerk, a title which has duties that vary day to day.

“Sometimes I spend most of my day helping patrons, while other times I find myself sitting at my desk looking through old papers,” said Susan. “I find it very rewarding when I get a request for genealogy information and through my research can find information that people are looking for.”

Susan said she enjoys the Adult Services Department staff, and loves the feeling of accomplishment she gets each day.

TumbleBook Library of the Day

You may be familiar with TumbleBook Library, a children’s online resource at www.kendallvillelibrary.org. Now, we’ve added a special feature: The TumbleBook of the Day.

TumbleBook Library is an online collection of animated, talking picture books. They teach kids the joy of reading in a format they’ll love. TumbleBooks are created by taking existing picture books, adding animation, sound, music and narration to produce an electronic picture book.

The TumbleBook of the Day online widget allows users to click on the Read Online icon, and begin reading or listening to the book immediately. The TumbleBook of the Day can be found on the Children’s Library page at www.kendallvillelibrary.org.
