Search the Catalog while Searching Amazon.com!
Just go to www.LibraryExtension.com. If you don't already have the Google Chrome web browser, you'll be able to download it. Then, add LibraryExtension.

Once installed, choose Kendallville Public Library from the list of available libraries, and start searching Amazon. When you pull up a book, LibraryExtension will automatically search our catalog for that item.

If the book is available, you'll see the details on the right on the page, instantly, with a quick link to the Kendallville Public Library! The links will search books and eBooks, and allow you to place holds or immediately download items!

Construction Began July 28 on Lower Level Completion Project
At a public meeting on Wednesday, July 16, the board selected the lowest bidder, MKS (Michael Kinder and Sons) of Fort Wayne, to carry out the plans for the library's lower level finishing project.

The company's bid of $417,400 was more than $3,000 lower than the next closest bid and nearly $60,000 less than the highest bid.

The board previously approved a total project budget of $593,000, which includes "soft" costs for furniture and some equipment. With the construction bids coming in lower than expected, the library will have more than $170,000 to cover those additional expenses to finish off the space.

"We should come in under budget on this project," said board president Kemuel Prince.

The library has the money on hand and will not need to seek additional funding. Through this project, the library’s unfinished basement will be renovated to include a kitchen, a dedicated Friends of the Library area, and three large meeting rooms (one used primarily for children’s programming).

MKS began construction on July 28, and expects to be finished within 90 days. Upon completion of the project, the rooms will be available for public use.

Food for Fines is back in September!
Give a gift & get rid of your fines...at the same time! From September 8 through 20, bring in non-perishable food items, paper products, hygiene products or cleaning products to the library. We'll donate those items to the local food pantries, and your fines will be reduced. For each item you donate, we'll forgive $1 of your fines. Each patron may make one exchange during the month, up to a $25 fine value.

Program details: Donations for the Food for Fines program cannot be applied toward charges for lost or damaged items. This program applies only at the Kendallville and Limberlost Public Libraries and will only reduce fines owed to the Kendallville and Limberlost Public Libraries that have not already been turned over to a collection agency. Items must be new, in their original package and not damaged or expired. Fines will be waived on the next business day.

Share Your Talents @ the Library!
The library is looking for volunteer instructors to teach workshops on topics like these:
- Landscape Quilting
- Woodburning
- Cake Decorating
- Home Improvement
- Crocheting

If you are interested in being a volunteer instructor, contact Adult Services Manager Mindy Patterson at 260-343-2017 or mpatterson@kendallvillelibrary.org.

pronunciator:
In August, the Kendallville Public Library is switching its language-learning service from Rocket Languages to Pronunciator. Pronunciator, the world’s largest language-learning service, will be available via the library’s website at www.kendallvillelibrary.org and also has apps available for Apple and Android devices. Rocket Languages will expire at the end of August, so there is still a little time to finish up training. We apologize for any inconvenience this transition may cause.
Centennial Celebration Mini Golf Events

The Kendallville Public Library turned 100 this year, and to continue the celebration we’ve planned some great events this fall including indoor mini golf and more.

Tuesday, August 19:
Dine to Donate at the Kendallville Applebee’s in support of the library’s Centennial Celebration. Just pick up a copy of the Dining to Donate flyer at the Kendallville or Limberlost Public Libraries, and give it to your server when you stop in for lunch or dinner on Tuesday, August 19. 15% of your total bill will be donated to the library, and you will receive a coupon for $5 off your next Applebee’s meal!

Friday, September 19:
Our Indoor Mini Golf Country Club Style Event is open to adults age 18 and up. Guests will play a round of mini golf, mingle and fill up with food from Big Racks BBQ & Catering, Gridiron Grill, Joanna’s Dealicious Treats, Scott’s Food Store, Si Senor, Burger King, McDonald’s and TeaLightful Blessings. The cost to attend this event is $30 per person or $50 per couple. You can register by September 17 in person or online at www.kendallvillelibrary.org/minigolf_info.htm. We accept cash, check and credit card.

Saturday, September 20:
This is the main event! We’re offering indoor mini golf for all, plus all kinds of family fun and food from 9:00 a.m. to 3:00 p.m. The first 100 people to arrive will receive a ticket for a free t-shirt that can be redeemed at noon when we unveil the library’s new logo and website. Families will have fun with bounce houses, inflatable games like Twister and Sumo Wrestling, a round of indoor mini golf, a Tiny Tunes Bubble Party and more! Plus, the Noble County Concert Association is sponsoring a free performance by The Amazing Barker Boys. All this fun will make everyone hungry. Auntie Anne’s Pretzels, TeaLightful Blessings and Big Racks BBQ & Catering can take care of that! Plus, Kendallville Boy Scout Troop #57 will be selling Sno Cones. All events are free, but food is at your own expense. Come and enjoy the day with us!

Build Your Child’s Interest with LEGO Books

Does your child love LEGO? The Children’s Department of the Kendallville Public Library has a variety of LEGO books, including picture books and informational guides.

The library even has LEGO Man in Space by Mara Shaughnessy! It’s a picture book about two boys who build a contraption to fly a LEGO man into space. The pictures in the book are extremely life-like and the book includes instructions on how to build your own space contraption.

The link to the video showing the LEGO man launch is: http://www.youtube.com/watch?v=MQwLmGR6bPA&safe=active

There is even a book trailer for this book if you want to find out more: http://www.youtube.com/watch?v=V09V-6hPAZQ&safe=active

The children’s department also has leveled readers about LEGO for kids just learning to read on their own.

Some of the LEGO titles found in our non-fiction area include:
- **The Lego Book** by Daniel Lipkowitz
- **The Lego Movie: the Official Movie Handbook**
- **Ninjago, Masters of Spinjitsu Character Encyclopedia** by Claire Sipi.
- **Lego Minifigures Character Encyclopedia** by Daniel Lipkowitz.
